

LET GOD BE
YOUR
ANCHOR.

WHO WE ARE

In Surge, we strive to create an environment that takes God seriously, all while having some serious fun! We believe that God is already at work in children's lives, so we've provided a place where they can experience all He's doing.

GETTING TO KNOW GOD

3 year Surge Curriculum

SURGE SNAPSHOT

The core of our 3 year study will identify who God is through 6 main attributes. We will put on a different lens every 4 weeks diving more deeply into each attribute of our study through biblical stories, games, and discussion of real life application to take what we learn about God and apply it in every day life.
