## THE 3RD SUNDAY OF ADVENT: ANGELS

Theme: PEACE

Talk about: (1) Do you know what peace means? (2) When have you felt most at peace?

Candle Lighting Option: Go ahead and light the HOPE candle first. It's a reminder of the hope or promise God gave us about Jesus Christ. Next, light the 2nd candle, symbolizing the love God has for us as we come to Jesus. Then light the 3rd candle again, which symbolizes joy and excitement we should have in coming to Jesus and to not be afraid. Finally read Luke 2:15-20 as you light the 4th candle. This candle represents the peace that Jesus brought into the world by ultimately saving us from sin by dying on the cross and rising from the dead.

Nativity Option: Now you can add the angel(s) and wise men to your nativity scene or have your children go and find them in your home. After reading Luke 2:15-20, talk about the angels declaring peace through Jesus Christ.

Close by talking and praying about how salvation in Jesus brings peace into our lives.
