COAST KIDS PRESCHOOL / COVID-19 UPDATE: April 22

Dear Families,

We have something special planned for you and your preschoolers! Next week we will have a No Contact Drive-By. See below for the schedule for your child's class. This will give us the opportunity to see all of our preschoolers and give them some supplies (Handwriting Without Tears Workbooks, your child's art from the file, a special Chalk Challenge Course from our Outdoor teachers, a special art lesson from Miss Leilani, nap supplies and other special projects from teachers).

We only have one entrance to get on our campus. It is the Camino de Las Ondas. Drive through there and we will be at tables in front of our playground. You will drive by the table for supplies. When the teachers see who you are, they will put the supplies on the front table and you will have an adult come out to pick it up. The children must stay in your car. But we would love to have them make posters and put in the car window for their teachers.
