PRESCHOOL / COVID -19 UPDATE
4/8/2020

Dear Families,

Some of you have been asking how the staff is. We are all doing well. The staff has been busy posting great videos and activities on FB. Check it out. And now we are getting ready to launch our ZOOM classroom meetings. You will be receiving an invitation to join the meeting. Sometimes the teachers may ask that your child have some supplies ready. Sometimes they will be referring to some pages for you to print up from our Coast Kids Preschool Website, on the "Stay Home Resource" page. They are also following safety protocols for the ZOOM meeting. We hope your child will be able to join. You are welcome too! We can't wait to see our friends.

All of the staff have their own emails now. You can email them directly instead of going through me. You will find them on our Contact / Resource page.

We miss you.
Keep safe.
Check out our FB page and respond in the comments.

Happy Easter!
