

OUTDOOR ENVIRONMENT

Jeanne Griggs

Coast Kids Preschool Staff since November 2015

Hi, my name is Jeanne Griggs.

I began working at Coast Kids Preschool as a substitute in November of 2015. This school year I will be working on the playground as an Outdoor Environment teacher as I have for the past four years. I have been in Early Childhood Education since 1995 which consists of 16 years as a teacher and 9 years as Assistant Director in faith based preschools. I have a Master Certificate in Early Childhood Education and Supervision/Administration.

After residing in Orange County since 1979, my husband David and I relocated to this area in September of 2015 to be closer to our three adult children (one boy and two girls) and four grandchildren (two boys and two girls). We have a new grandchild on the way! We love spending time as a family and attending church together, going to the beach, riding bikes, taking vacations and of course shopping (girls only!) We enjoy being outdoors and appreciating God's Creation. David and I also spend time serving at our church and attend an awesome Growth Group. I also love gardening, reading, walking and swimming.

It is a privilege and blessing to be a part of the wonderful Christ loving staff at Coast Kids Preschool. It feels like family to me! It has also been fun meeting new children and their families and being a part of their education and sharing how much Jesus loves them.

Proverbs 3: 5-6: "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight."

Andrea Vosti

Coast Kids Preschool Staff since August 2018

Hi! My name is Andrea Vosti and I am excited to be joining the Outside Environment Staff this year. I have worked as a lead preschool teacher for 4 years now, and am excited to be continuing this journey at CKP with you all. Helping children has always been a passion of mine, and my career change to the field of Early Childhood Education four years ago has been one of the most fulfilling experiences of my life. I'm still currently furthering my education in the field and I am actively taking classes to obtain my degree in Child Development.

I have two sons; a 16 year-old and a 5 year-old. My eldest attends high school at La Costa Canyon, and my youngest goes to school here at CKP. When I'm not working I enjoy going to the pool with my boys, dinners in with my wonderful husband, or volunteering for SPOT pet rescue out of Oceanside.

I look forward to a wonderful year getting to know your sweet little ones better and sharing fun learning experiences together.

"Children are a gift from the Lord, the fruit of the womb; a reward." Psalms 127:3
