

ROOM B102: PRE-K SITE SUPERVISOR AFTERNOON SESSION

Penny Bacon

Coast Kids Preschool Staff since July 2009

My name is Penny Bacon. I am excited to return for my 12th year at Coast Kids! I am a Lead Pre-K Teacher in the mornings and the Site Supervisor for the afternoon session.

I have been a Pre-K teacher for 28 years. My education includes holding a Site Supervisor Certificate through the San Diego Department of Early Childhood Education. I am also a certified Mentor Teacher with the California Department of Early Childhood Education. You will meet my interns in the Spring, as they become a part of our class for their student teaching semester.

I have been blessed to have already been a part of many of your lives with your older children. My joy and my passion is to always make learning fun.

I have 3 adult children. Shawn, 36, and his wife live in Seattle. Jessica, 34, is a nanny here in Carlsbad. Amanda, 33, lives and works in San Diego.

When I'm not at school, I love walking along the coast. This is one of the rare times I won't be wearing a pair of Vans. I have amassed a collection over the years and it's become a fun trademark.

My favorite verse is Psalm 98:4, "Make joyful noise unto the earth, make a loud noise, and sing praise." My prayer for all of us this coming year is to have an abundance of love, laughter, and joyful noises.
