

ROOM B108: 3 / 4 YEAR OLDS

MORNING / AFTERNOON

Denise Jenkins

Coast Kids Preschool Staff since September 2015

Hi, my name is Denise Jenkins, and I am delighted to teach in B108 , the 3/4's classroom. This is my 5th year at Coast Kids Preschool and I consider it a privilege to have a part in the lives of the children at CKP as they explore, learn, and grow in independence and knowledge. I am also honored to be able to share a love for Christ and His Word with them.

I currently hold a Child Development Associate Teacher Certification. My past teaching experience has involved teaching co-op's for various ages, including preschool in a home school setting, teaching Sunday School, and a Children's Leader with a community Bible study.

My husband, Darren, and I have 3 daughters: Alyssa (29), Danielle (27), and Sarah (22) and son-in-laws, Dylan (22) and Derek (29). We have a lively dog named Kiwi and a cat named Oreo. In my free time, I enjoy trying new Pinterest ideas, whether it be a recipe, craft, or a new cleaning technique. I also enjoy gardening, sewing, and the beach.

One of my favorite verses in the Bible is Micah 6:8 "He has shown you, O man, what is good and what does the Lord require of you? But to do justly, love mercy and to walk humbly with your God." This sums up how I desire to live my life and interact with others... with mercy, humility and fairness, knowing that we are all growing and learning. We all need God's love and mercy in our lives. I am so thankful and happy He offers it to us through His Son, Jesus.

Nicole Lambert

Coast Kids Preschool Staff since August 2020

Hello, my name is Nicole.

I am working in the afternoons at Coast Kids Preschool while going to school at Mira Costa College. I am pursuing my teacher's certificate and my AA degree. Once this is accomplished, I will begin my BA in Child Development.

I have many hobbies outside of school and work. I love spending time with my family and friends. Before the pandemic, my friends and I would go to the movies, the beach or to the gym. I am looking forward to returning to these activities. I also love spending time with family and relatives. I find working on a puzzle with 1000 to 2000 pieces to be relaxing. I enjoy cooking too.

Some other things I like to do is spend time with my 'fur babies'. My 'furs babies' include my one dog, Gambit and my two cats, Cali and Stan. I love playing with Gambit outside in the backyard, taking him for walks, letting him play with his toys, or working with his dog puzzles. Cali and Stan are the sweetest cats I can play with them inside whenever I'm home or sometimes they just want to cuddle with me all day.

I'm looking forward to getting to know all the children and their families this year. I am also looking forward to working with everyone to make this a great year with lots of fun for everyone.
