COVID-19 UPDATES!

While more and more places are opening up, changing safety protocols and not requiring masks, you may be wondering why haven't we made those changes. Even our church, North Coast Calvary Chapel is beginning to meet indoors and without masks. **WE ARE NOT THERE YET!**

It is not because our staff just loves to wear masks. It is not because we want to be the mask police. It is not because we love all the extra work we have to do.

It is because the Childcare Industry Guidelines for California have not changed. It is because the agency that gives us our license to operate, Community Care Licensing has not changed our guidelines yet. It is because we want to remain open and provide care for your children.

HIRING!**

We are looking for some assistant teachers to add to our staff. If you know of someone that would be a good fit here - please have them email me. We will train and match them up with a mentor teacher. It is part time and perfect for someone starting their career. We also would like to add to our outdoor staff.
