

Amy Engel

Coast Kids Preschool Staff since May 2011

My name is Amy Engel and I'm looking forward to a good year teaching afternoons!

I grew up in Missouri and lived there for many years. I have a college degree from the Kansas City Art Institute. After college, I moved to California for a change of scenery. I went back to school and took Child Development classes, both from Palomar and Mira Costa College. I've been working with preschoolers for almost 30 years, teaching in other preschools and teaching Sunday School. This will be my 10th year at Coast Kids Preschool.

I've been married for 34 years to my husband, Scott. We have 2 daughters, Alicia and Lea. Both girls are working in the medical field. Lea is also continuing her education to become a R.N.

When I'm not working, I enjoy going to the gym and swimming laps. I also like gardening, photography and going to music concerts with Scott.

Working at Coast Kids Preschool is a blessing. Singing Christian songs with the children is so much fun! One of my favorite songs is "It's a Brand New Day" and "I Want To Say Thank You". God is faithful to us. Each day God gives us a new day and I am thankful for that!
