## HAPPY NEW YEAR!

"When Jesus spoke again to the people, he said, 'I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.'" John 8:12

Did you get out to see all the beautiful lights up at Christmas time? You may have added to the beauty. But most people will take the lights down and pack them away until next Christmas. Jesus is called the Light of the World. His light will never go out. In 2022, I pray that you and your family will renew your hope and faith in the Light that never goes out - Jesus!

### WHAT WILL PRESCHOOL BE LIKE NEXT SCHOOL YEAR?

When the pandemic first hit us, we had no idea we would still be operating preschool in response to COVID-19 in 2022. Actually we thought we wouldn't even be operating preschool in response to COVID-19 in 2021. But here we still are. It has been hard for sure to operate a preschool during these times. But as a staff, we have actually loved some of the changes we have made! We will continue to learn and grow. We will continue to adjust to guidelines to bring you a safe Preschool without jeopardizing our quality. We have attached a short survey to hear from you how we have been doing operating during the pandemic. There may be things we can change to better serve you. Some things we cannot change due to guidelines we have in operating a preschool licensed by the State of California. If you would like to fill out the survey, bring it to the check in area. Thank you! As we head into 2022 and look ahead to next school year, I can assure you that we will continue to Shine for Jesus and be the best preschool we can be. So far as we know now, next school year may look much like this school year.
