Hi! I'm Andrea Vosti, and I am excited to be starting my 5th year here at CKP. I have worked as a lead preschool teacher for over 6 years, and recently made the transition to working as a behavioral interventionist teaching developmentally delayed children on a 1:1 basis through an independent company here in San Diego. I am excited to have also been given the opportunity to continue my journey here at Coast Kids as a member of the afternoon support staff.

Helping children has always been a passion of mine, and my career change to the field of Early Childhood Education six+ years ago has been one of the most fulfilling experiences of my life. I have my degree in Child Development, my Master Teacher in ECE certificate from Mira Costa College, and am working to become a licensed RBT through the BACB.

I have two sons: a recent La Costa Canyon graduate that joined the Air Force in the field of Logistics Plans, and a 7-year-old that attends first grade at La Costa Meadows. When I'm not working, I enjoy going to the pool with my boys, lazy weekends at home with my loving husband, and fostering litters of kittens for SPOT pet rescue out of Oceanside.

I look forward to a wonderful year getting to know your sweet little ones better and sharing fun learning experiences together.
