

**Jeanne Griggs**

**Coast Kids Preschool Staff since November 2015**

**Outdoor Environment Team Leader / Teacher**

Hi, my name is Jeanne Griggs. I began working at Coast Kids Preschool as a substitute teacher in November of 2015. I love the position I currently hold as an Outdoor Environment teacher and having the opportunity to create a fun, safe and enriching space for the children to play and grow.

I have been in Early Childhood Education since 1995 which consists of eighteen years as a teacher and nine years as an Assistant Director in faith-based preschools. I have a Master Certificate in Early Childhood Education and Supervision /Administration.

After residing in Orange County since 1979, my husband David and I relocated to this area in September of 2015 to be closer to our three adult children (one boy and two girls) and five grandchildren (two boys and three girls) with much persuasion by them.

We love spending time with our family at the beach, taking vacations together and just hanging out. We enjoy being outdoors and appreciating God's Creation. David and I also spend time serving at our church and attend an awesome Life Group. I also find joy in riding my bike, gardening, reading and walking.

It is a privilege and blessing to be a part of the wonderful Christ loving staff at Coast Kids Preschool. They truly feel like family to me! It is also a privilege and blessing in meeting new children and their families each year and being a part of their education and sharing how much Jesus loves them.

Proverbs 3: 5-6: "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight."
