

Sarah Fuller

Coast Kids Preschool Staff since August 2017

Outdoor Environment Lead Teacher / Substitute Teacher

Hello, my name is Sarah Fuller, and I have had the honor and privilege of working at Coast Kids Preschool for the past 6 years. I was a lead teacher for four of those years and then decided to semi retire. I am now working 3 days a week in the Outside Environment and subbing as needed. I have subbed in every classroom. I love to bring my guitar in the class and sing with the children.

I graduated from Western Kentucky University with a BS degree in Elementary Education / Special Education, and I also have 30 plus units in child development, which include units in administration. I have worked with all ages. I have also served as a director at one of my preschools.

I have two grown children, both married and one precious little granddaughter who is the light of my life! I love working at Coast Kids Preschool, it keeps me young and energized! Plus, I adore the staff and the children! I plan to continue working at Coast Kids Preschool another year and then we will see what GOD has planned for me!
