Hi, my name is Madeline Masters. I was born and raised in Iowa, but I moved to California 4 years ago and I have family out here.

I have a bachelor's degree in Spanish and a bachelor's degree in Teaching English to Speakers of Other Languages (TESOL) from the University of Northern Iowa. I started working with children in fourth grade as a babysitter. I have worked as a tutor, nanny, teacher, and substitute. I'm currently pursuing my master teacher certificate.

When I'm not working with children, I'm practicing Spanish, shopping, surfing, swimming, running, at church or coffee shops, and walking or riding my bike to the beach. I love school and learning!
