

Coast Kids Preschool Summer Camps 2023 News

FOR NEW CHILDREN...

Getting Adjusted: We are so glad to have your child start our preschool this summer. We have some ideas to help your child get adjusted. Keep talking about their new preschool. Drive by the new preschool. Talk about the fun things they will do in preschool.

Registration Paperwork: *ALL paperwork must be in before your child attends.*

Potty Trained?: As a reminder, children need to be potty trained to attend our preschool. If your child is not there yet - please give us a call to see if we can get your child in a later session instead, when your child is potty trained.

Nap Supplies for Full Day and 3/4 Day

Bring in a small crib size sheet and a small blanket, stored in a **child size** backpack. It must be able to be zipped up. Your child may have ONE comfort item such as a small pillow or small stuffed animal. But it must fit in the **child size** backpack and be able to be zipped. We prefer that your child is able to zip it. Please label everything.

Lunch & Snacks: Your child will need snack and lunch everyday. Pack 2 snacks for the nappers. Blue ice works great in keeping food cold. Remember we are a NUT-FREE preschool. (We cannot have food that may contain nuts.) Please check labels. Microwaves are not available for heating. We provide filtered water.

FOR ALL CHILDREN...

Drop Off and Pick Up Times:

Morning program: Drop off no earlier than 8:30. Pick up is at 12:30, (earlier is OK). 3/4 Day: Drop off no earlier than 9:00. Pick up at 3:00, (earlier is OK). Full Day: Drop off no earlier than 8:00. Pick up at 5:00, (earlier is OK).

Cubbies: Your child needs a set of extra clothes in his / her cubby. We will send them home at the end of each summer camp session. Please bring at the beginning of each session.

Chapel in the Lobby: Every Thursday and Friday of Week 1 of each session the children will enjoy Chapel in the Lobby.

Water Play Days: As weather permits we will play in water outdoors with either our water rock and/or sprinklers on every Thursday and Friday of Week 2 of each session. To allow for more play time - please send your child to preschool wearing their bathing suit the days of water play. Make sure your child brings clothes to change into after waterplay. Each child should also bring a towel. **Please label everything.** Each day we use it - take them home and bring dry ones back. A 2-piece is preferred over a 1-piece for our girls to make sure they are successful with their trips to the restroom. Please apply sunscreen at home.

Sunscreen: We encourage everyone to apply sunscreen on your children before coming to preschool. For the full day children that may need another application - you must fill out an authorization form from the office and provide the sunscreen.

Tuition Statements: You will receive news and a tuition statement prior to the beginning of the month. Tuition is always due on the 1st of the month and becomes late after the 5th regardless to which day of the week this falls and regardless to whether your child is currently attending or not. If your child is not attending a summer session during the 1st week of the month - you will have to bring in your tuition or mail it. Please allow time if mailing, to be here on time.

Summer Sign In / Out: We will have our check in / out table in the front lobby with sign in /out sheets. At the table we will take temperatures of the children. We will have a staff member assist you and your child to and from your classroom. Families that have been here during the 2022-2023 school year will be able to walk their child to and from class without our assistance after signing in.

Class Assignments: Your child may be visiting a couple of different classrooms throughout the summer as well as have the opportunity to get to know all of our staff. We will keep siblings together.
