ABOUT

THEME - BUILD YOUR KINGDOM HERE

For 25 years, KidsGames has been a place where God's Kingdom has been built—one child, one leader, one act of faith at a time. This year at KidsGames, kids will learn that God is the Master Builder. His Kingdom isn't just something we wait for someday—it's something we live out every day. Just like LEGO bricks are designed with purpose and fit together in unique ways, God designed every child and leader to matter in His Kingdom.

CAMP DATES

Week One:	June 15th - June 19th
Week Two:	June 22nd - June 26th
Week Three:	June 29th - July 2nd (no camp July 3rd)
Week Four:	July 6th - July 10th

CAMP HOURS

1st - 6th Grade Program:	8:30 AM - 12:30 PM
Juniors Program (4/5 Year olds):	8:45 AM - 12:15 PM

KIDSGAMES JUNIORS (4 & 5 YR OLDS)

Camp Hours: 8:45 AM - 12:15 PM

KidsGames Juniors is our uniquely crafted program for our small and mighty campers aged 4 and 5 year olds (PRE-K/Kindergarten) with a curriculum written just for them! Our Junior campers rotate daily to each of the five zones: Bible Storytelling/Worship, Creative Zone, Sports Zone, Outdoor Adventure Zone and our NEW indoor KidsGames City!

BIBLE STORY/LARGE GROUP WORSHIP

During Bible story and worship, our Junior campers will come together to learn more about the character of God, hear the stories of His miracles and learn more about the promises He keeps. Through dance and worship, campers will also learn songs reminding them of God's love for them!

CREATIVE ZONE

Campers will use painting, drawing, stamping, and other forms of creative expression to gain a deeper understanding of the daily Bible stories they hear at camp. Our campers will be inspired and encouraged to share what they're learning with those around them.

SPORTS ZONE

Our campers will get active, healthy, and happy in our Sports Zone! Each day our campers will team up with our Coaches and Group Guides and practice fun drills to learn basic skills in a variety of sports and activities such as soccer, baseball, relay games, and more!

OUTDOOR ADVENTURE ZONE

Campers engage in an interactive outdoor play space where imagination and discovery come to life! Little adventurers can dig for "fossils" in the sand pit, zoom around the raceway, experiment at the water tables, and more. This hands-on, sensory-rich environment encourages creative play, movement, and curiosity in a fun and safe setting.

KIDSGAMES CITY

KidsGames City is a miniature, interactive world where children can explore, imagine, and learn through hands-on experiences. Designed to mimic a real city, this immersive environment allows kids to step into real-world roles, from community helpers to business owners, all while engaging their curiosity and creativity.

*Station activities are subject to change at any time.

1ST-6TH GRADE PROGRAM

Camp Hours: 8:30 AM - 12:30 PM

Campers will spend time with their peers and trained Team Guide engaging in creative play, friendly and competitive sports games, fellowship, Bible storytelling and amazing worship each day!

Campers are placed on one of eight color Teams based on grade level (1st-3rd grade Teams and 4th-6th grade Teams). For accountability, safety and building rapport with Team Guides, campers are then assigned to a smaller group of 8 within their Team.

GO TEAM!

Every day, campers will begin their day in worship, learning and singing songs together. Campers will then rotate and spend time in Bible Story, sports, and creative arts activity stations. Every Thursday (*Wednesday during Week 3*), campers will make a splash with our Water Day activities!

SCHEDULE AT A GLANCE

WEEK 1

JUNE 15 - JUNE 19

FLAG FOOTBALL/GARDENING LAB
PADDLE POWER: PICKLEBALL
ENGINEERING: DROP ZONE
COOKING: SLICE & SCOOP
SCIENCE: JUNIOR INVESTIGATORS

COOKING: ALL-STAR EATS
SCIENCE: SLIME FACTORY
IMAGINATION STATION: BRICK CITY CHALLENGE

WEEK 4

JULY 6 - JULY 10

SOCCER/OUTDOOR ART
HIP HOP
ENGINEERING: FIDGET FACTORY
COOKING: FIESTA FEAST
SCIENCE: BOUNCE LAB
IMAGINATION STATION: GALAXY QUEST

OFFERED EACH WEEK:

BIBLE STORY | ART | PARKOUR | THE PLAYGROUND

BIBLE STORY/WORSHIP

During Bible story and worship, children will hear and understand the stories of the Bible and know what it means to them. Through dance and worship, campers will also learn songs reminding them of God's love for them!

ART STUDIO

Let creativity take the lead! In the Art Studio, campers will explore, create, and express themselves through a variety of hands-on projects. Whether it's painting, crafting, or building something new, this space is all about imagination, confidence, and having fun bringing ideas to life.

PARKOUR NINJA COURSE

Run, jump, climb, and conquer obstacles like a true ninja! This high-energy area challenges kids to test their agility, balance, and strength as they navigate an exciting and safe parkour-style obstacle course. Campers will build confidence, coordination, and ninja-worthy skills—no secret dojo required!

THE PLAYGROUND

The Playground is the ultimate station of choice where campers say where they want to play! From pretend play stations and gaga pit to friendship bracelet making and a game of checkers, imaginations and friendships are sure to grow in THE PLAYGROUND.

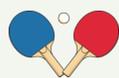

1ST-6TH GRADE STATIONS WEEK ONE

WEEK ONE: JUNE 15 - 19

FLAG FOOTBALL + GARDENING LAB

Fast-paced or hands-in-the-dirt—it's your choice! Campers get the best of both worlds at this station. They can jump into the action with flag football—running plays, building teamwork, and having a blast—or slow things down in the garden, where they'll plant, create, and connect with nature. Whether they're on the field or in the soil, this station is all about choice, movement, and growing in confidence.

PADDLE POWER: PICKLEBALL

Get ready to serve, rally, and score! Paddle Power introduces campers to the fast-growing game of pickleball through fun drills, friendly games, and lots of movement. It's all about building skills, teamwork, and confidence—one paddle at a time!

ENGINEERING: DROP ZONE

Think, design, and test! In Drop Zone, campers become engineers as they build, experiment, and problem-solve through hands-on challenges. With each creation, they'll learn to adapt, improve, and see their ideas come to life in exciting ways.

COOKING: SLICE & SCOOP

Roll up your sleeves and get cooking! Slice & Scoop brings the flavors of Italy to life as campers create simple, delicious dishes while learning kitchen basics and having fun along the way. It's a tasty mix of creativity, teamwork, and hands-on fun!

SCIENCE: JUNIOR INVESTIGATORS

Calling all curious minds! Junior Investigators invites campers to explore, examine, and uncover clues through hands-on activities that spark curiosity and critical thinking. Get ready to observe, discover, and think like a real investigator!

IMAGINATION STATION: GLOW ZONE

Step into a world that shines! Glow Zone is a high-energy, creative space where campers can explore, play, and let their imagination light the way. With a mix of movement, creativity, and glowing fun, this station is all about energy, expression, and unforgettable moments.

*Station activities are subject to change at any time.

1ST-6TH GRADE STATIONS WEEK TWO

WEEK TWO: JUNE 22 - 26

SOCCER + OUTDOOR ART

Kick, create, and explore! This station gives campers the freedom to choose between active play on the field or hands-on creativity outdoors. Whether they're building skills in soccer or expressing themselves through art, it's all about movement, imagination, and fun in the fresh air.

DANCE

Our dance class is a fun, high-energy space where kids can move, express themselves, and build confidence. Led by an experienced instructor, campers learn basic dance moves, rhythm, and simple routines in a supportive and encouraging environment.

ENGINEERING: TOWER POWER

Build it tall and make it strong! In Tower Power, campers become builders and problem-solvers as they design and construct creative structures using a variety of materials. It's all about teamwork, innovation, and seeing how high their ideas can go!

COOKING: FUSION FUN

Get ready to mix it up! Fusion Fun introduces campers to bold flavors and simple dishes inspired by Asian cuisine. Through hands-on cooking, they'll explore new tastes, learn basic kitchen skills, and enjoy creating something delicious together.

SCIENCE: WILD REACTIONS LAB

Things are about to get exciting! Wild Reactions Lab is all about hands-on experiments that fizz, pop, and amaze. Campers will explore the wonders of science through fun, interactive activities that spark curiosity and bring big reactions to life.

IMAGINATION STATION: CARDBOARD CITY

Build, design, and create your own world! In Cardboard City, campers use their imagination and teamwork to transform simple materials into something amazing. From structures to creative builds, this station is all about dreaming big and bringing ideas to life.

*Station activities are subject to change at any time.

1ST-6TH GRADE STATIONS WEEK THREE

FLAG FOOTBALL + GARDENING LAB

Fast-paced or hands-in-the-dirt—it's your choice! Campers get the best of both worlds at this station. They can jump into the action with flag football—running plays, building teamwork, and having a blast—or slow things down in the garden, where they'll plant, create, and connect with nature. Whether they're on the field or in the soil, this station is all about choice, movement, and growing in confidence.

CAMP CLASSICS: FIELD DAY GAMES

Ready, set, go! Camp Classics brings all the energy of field day with relays, obstacle courses, and team challenges that keep campers moving and cheering each other on. It's all about fun, teamwork, and making unforgettable camp memories!

ENGINEERING: BUILT TO LAST

Design it. Build it. Test it. In Built to Last, campers take on hands-on challenges that push them to create strong, stable structures. Through creativity and problem-solving, they'll learn how to improve their designs and make their builds stand the test of time.

COOKING: ALL STAR EATS

Step up to the plate! All-Star Eats brings classic American favorites to life as campers create simple, tasty dishes while learning kitchen basics. It's a fun, hands-on way to build confidence and enjoy some all-time favorite flavors.

SCIENCE: SLIME FACTORY

Stretch it, mix it, and make it your own! Slime Factory is a hands-on, sensory-filled experience where campers get to explore, create, and experiment. It's messy, fun, and full of creativity as they discover the science behind the slime!

IMAGINATION STATION: BRICK CITY CHALLENGE

Build big and think bigger! In Brick City Challenge, campers use creativity and teamwork to design and construct imaginative creations. With endless possibilities, this station is all about problem-solving, innovation, and bringing ideas to life—one brick at a time.

*Station activities are subject to change at any time.

1ST-6TH GRADE STATIONS WEEK FOUR

WEEK FOUR: JULY 6 – JULY 10

SOCCER + OUTDOOR ART

Kick, create, and explore! This station gives campers the freedom to choose between active play on the field or hands-on creativity outdoors. Whether they're building skills in soccer or expressing themselves through art, it's all about movement, imagination, and fun in the fresh air.

HIP HOP

Get ready to move! In Hip Hop, campers will learn fun, high-energy dance moves, build confidence, and express their style through music and movement. It's all about having fun, trying something new, and dancing together!

ENGINEERING: FIDGET FACTORY

Create, test, and tinker! Fidget Factory is all about hands-on exploration as campers design, build, and experiment with interactive creations. It's a fun way to engage curious minds, spark creativity, and discover how things move and work.

COOKING: FIESTA FEAST

Let's get cooking! Fiesta Feast brings bold flavors and fun to the kitchen as campers create simple dishes inspired by Mexican cuisine. It's a hands-on experience full of color, creativity, and delicious results!

SCIENCE: BOUNCE LAB

Get ready to bounce into action! Bounce Lab is all about experimenting with movement, energy, and fun. Campers will create and test exciting projects while discovering what makes things bounce, stretch, and move.

IMAGINATION STATION: GALAXY QUEST

Blast off into creativity! Galaxy Quest invites campers to explore a space-themed world filled with imagination, discovery, and hands-on fun. From creating to exploring, this station is all about dreaming big and reaching for the stars.

*Station activities are subject to change at any time.

YOUTH VOLUNTEER TRAINING

All youth volunteers will be required to attend one in-person training. At KidsGames, we believe the best way to prepare our volunteers is through hands-on, immersive training that builds confidence and equips you for real-life situations. Our training is engaging, interactive, and scenario-based, ensuring that every volunteer is fully prepared to thrive in the dynamic KidsGames environment. Join us at North Coast Calvary Chapel on one of the following dates: Sat. May 30th, 2:30 - 4:30 PM OR Tuesday, June 3rd, 6 - 8 PM.

ADULTS! JOIN A VOLUNTEER TEAM

NURSERY TEAM (serving infants to 3 year olds):
