Volunteer Information Pack

Welcome

What is KidsGames?

KidsGames is a four-week Christian sports and creative arts camp for children entering Pre-K through 6th grade. It's a place where kids experience fun, friendship, creativity, and encouragement while learning values like kindness, teamwork, and faith.

Throughout the week, campers experience:

- Exciting sports and active games
- Creative arts and hands-on building activities
- Friendship, teamwork, and community
- Encouragement and faith-based values

Our Mission & Heart for Camp

Volunteers are the heart of KidsGames.

Every activity you lead, every conversation you have, and every moment of encouragement help shape a child's experience. Your presence helps create a place where kids feel welcomed, supported, and excited to be part of the KidsGames community.

For many volunteers, KidsGames becomes one of the most meaningful and fun weeks of the summer. It's an opportunity to serve, build relationships, and be part of something that makes a lasting difference in the lives of children and families.

As a volunteer, you play an important role in helping create this experience. You may help lead activities, guide small groups of campers, assist rotation coaches, or help create a fun and welcoming environment for everyone.

You don't need to plan activities—we provide the lesson plans, materials, and support teams. Your role is to help guide the activity, encourage campers, and bring energy and positivity to the experience.

Who Can Participate

You must be going into 7th grade in the fall of 2026 to volunteer this year. There is no upper age limit—if you love serving kids and bring the energy, there is a place for you.

You do not need to attend North Coast Calvary Chapel to volunteer at KidsGames.

KidsGames Programs at a Glance

KidsGames includes two age-based programs that run during the camp week. Each program is designed to create a fun, safe, and engaging experience for the campers at that age level. Volunteers serve in both programs, helping lead activities, encourage campers, and create a welcoming environment.

KidsGames Junior (Pre-K / Ages 4–5)

KidsGames Jr. is designed especially for our youngest campers. The program focuses on play, creativity, movement, and simple structured activities that help young children feel safe, confident, and excited to participate.

Each day, campers rotate through Art, Indoor and Outdoor Play, Sports, and Bible time.

KidsGames (1st–6th Grade)

The main KidsGames program serves campers entering 1st through 6th grade. Each day, campers rotate through a variety of sports, creative arts, and hands-on activities designed to keep them active, engaged, and having fun.

Activity rotations may include sports, engineering, cooking, science, outdoor games, creative arts, and more. These rotations help campers explore new interests, build confidence, and develop friendships.
